Follows the Killing of Nazim Pasha, Former War Governor-May Revoke Action of Grand Council

Constantinople, Jan. 24.--Fighting has occurred at several places in the city this morning. A dozen or more persons were wounded and many arrests were made.

Great public excitement has followed the killing of Nazim Pasha. the former war minister and commander of the Tarkish army, who was shot during public demonstrations last night.

The militarists among the Young Turks have secured the rains of government as result of the sudden and unexpected overthrow of the Kiamil Pasha ministry and they will probably revoke the action of the grand council which had voted for peace and order a renewal of active hostilities against the Balkan allies.

London, Jan. 24.-The confirmation of the news of the complete revulsion of feeling in Constantinople against the proposed surrender to the allies has created the impression among the peace delegates that war will begin again almost immediately There are, however, two currents of boinion among the representatives of the Balkan league. One of these is in favor of asking Sir Edward Grey, as honorary president of the peace conference, immediately to conwhich the resumption of hostilities will be declared. The other urges that the powers should first be aifowed to deal with Turkey. European governments are already in communication with regard to the situation. The view here is that the reply of Turkey to the note of the powers must be awaited before any drastic action can be inaugu-

Before noon the heads of the four delegations had held several meetings to discuss the situation. The allies seemed disposed to consider the revolution in Constantinople as an affront to the European powers more than to themselves. Therefore they think the powers are entitled to make the first move.

Great Applause Greets Address of Chief Carter. Columbus, Jan. 21.-Amid thunders of applause, shouts of "Glory Halleiu-

and "Amen." Chief Charles E. Carter, after shaking bands with Rev. Billy Sunday on the platform of the tabernacle in West Goodale street last evening, advanced to the rostrum and said with a voice choked with emo-"I just want to say that there has been a great deal of mystery and people have wondered why I am doing what I am doing. I have seen both sides of life. I have known the ups and downs that men go through. What I am I owe to a little woman who lies beneath the sod in a small Illinois village.

"I have said I belteved I was good as any of the people I **associated** with. I have seen ministers and church people do things that I would not do. I have heard Mr. Sunday condemn the preachers and the practices of some church members. I must say hat I believe he is right.

I don't know that I can say that I know he is right, but I believe he is right, and, taking Rev. Mr. Sunday's word for it that there is salvation in Jesus Christ, I am ready to accept

Him. Following this declaration, there was almost a pandemonium. The converts who had been coming forward slowly and under evidence of preaching of a sermon on the second gelist and the largest week-day record was achieved, when 417 cards were

### AWKWARD CHILDREN

St. Vitus' dance makes children awkward at first, then restless; later comes the twitching of the muscles and jerking of the limbs and body.

A large proportion of children of school age have St. Vitus' dance in some degree but there is no need of your child suffering with this disease, no need of leaving school or getting behind in classes. At the first sign of nervousness, of inability to sit still, sleeplessness or continued irritability give Dr. Williams' Pink Pills, one after each meal. The change will soon be apparent. As the thin blood becomes rich and red, the starved nerves get the needed nourishment and the alarming symptoms vanish. There is no danger of St. Vitus unless the blood is thin. Outof-door exercise, proper food and Dr. Williams' Pink Pills whenever a tonic is needed will keep

any growing child in trim. r. Williams' Pink Pillsare valuable in all diseases where the blood is at fault, as in chlorosis, rheumatism, after-effects of the grip and fevers, headaches, and debility due to overwork, worry or nervousness.

Delays are dangerous in diseases caused by thin blood. They do not correct themselves. They get worse. So get a box of Dr. Williams' Pink Pills at the nearest drug store today and begin the treatment. If you want to know what the remedy has actually done write for our book of cures.

Dr. Williams' Pink Pills are 50 cents per box, six boxes for \$2.50 at druggists or from the Dr. Williams Medicine Co., Schemectady, N. Y.

## THAT TIRED FEELING

Suggests Grandmother's Remedy. It's true, the season is here with its sudden changes, and the old idea that we need a blood medicine is not without reason. Too much heavy food has caused a torpid liver, sluggish blood, and a weak, tired out feeling.

Sulphur, cream of tartar and moasses was grandmother's remedy but that has long ago been displaced by Vinol, a combination of the two most world famed tonics, namely, the medicinal curative elements of the cods' liver without oil, and iron for the blood.

Vinol builds you up, makes you eat more and digest better, makes your blood rich and pure - puts healthy color in your cheeks.

P. O. Barker of Bowen's Mill, Ga. says: "When I was badly run down last spring I took Vinol in an effort to regain my health and strength and it did not disappoint me. It made me feel as well as ever.

We guarantee Vinol to satisfy you and refund your money if it does not. Frank D. Hall, druggist, Newark, O.

# GIRLS CASES BEING HEARD IN JUVENILE COURT

Eva Thompson, Mary Thompson, Emm. Rarrick, Hazel Jeffries and Martha Fairall, the five little girls who ran away from the Licking County Child ren's Home on Wednesday night and were captured in Zanesville, to which city they had ridden on a freight train, were arraigned before Judge Hunter in juvenile court Friday afternoon. The charges filed against the girls

were that they were generally incorrigible and that they had been guilty of train-riding.

The girls were examined by the ourt and by Superintendent J. C. Kreig of the Home. From the testimony, it appears that

Eva Thompson and Goldie Johnson were the girls who were responsible for the exodus. After the start was made at about 3 o'clock Wednesday evening the Johnson girl changed her mind and returned to the Home.

### HOW TO MAKE YOUR HAIR BEAUTIFUL

Winnted Mome Treatment Works onders, Stope Publing Haie, Itching Scotp and Dondruff and Vakes the Hair Soft, Brilliant, Luntrous and Fluffy.

Better than all the so-called "hair tonics" in the world is a simple old fashioned home feeine consisting of plain Hay Rum, Lavona de composee, and a little Menthol Crystals. These three mixed at home in a few minutes, work wonders with any scalp. Try it just one night and see. Get from your druggist 2 oz. Lavona 6 oz. Bay Rum and ½ dr. Menthol Crystals. Dissolve the Crystals in the Bay Rum and pour in an 8 oz. bottle. Then add the lavona, shake well and let it stand for an hour before using. Apply it by putting a little of the minture on a soft cloth. Draw this cloth slowly inrough the hair, taking just one small strand at a time. This cleanses the hair and scalp of dirt, dust and excessive oil and makes the hair deligitudly soft, lustrous and fluffy. To stop the hair from falling and to make it grow again rub the lotion brickly into the scalp with the finger tips of a median stiff brush. Apply night and morning. A few days use and you cannot find a single loose or straggling hair. They will be locked on your scalp as tight as a vice. Pandruff will disappear and littling cease. In ten days you will find fine downy new hairs sprouting up all over your scalp and this new hair will grow with wonderful rapidity.

Any druggist can sell you the above. The prescription is very inexpensive and certain in its results. (Adv.)

# CONFERENCE OF LEAGUE

A discussion of the Smith one per cent tax law was the main feature of the closing session of the Ohio Municipal League at Columbus Thursday. A satisfied customer is the best indorsement a merchant can have—we have thousands, not only in Newark, but all over the state of Ohio.

We base our claim to being the leading tailors of Ohio on this fact: we have a larger number of satisfied customers than any other tailoring concern in the State.

We add an individuality to our garments that distinguishes them from the ordinary-which must be seen to be appreciated. Frotch Moolen Mills Com
